Meeting Notice for Thursday, April 10, 2025

Topic – National Policy and Regulatory Update

Guest Speaker – Jeff Hannapel, The Policy Group

Overview of the Evening's Technical Presentation

The Policy Group traditionally delivers a presentation at the New England Regional every year to bring members up to speed on relevant topics in Washington affecting the industry. Tonight's presentation is an up-to-date recap of the current status of new policies and regulations that will have a direct impact on our local shops, as well as the NASF's national efforts to lobby for our industry.

Speaker Biography

Jeff Hannapel is the Vice President of Regulatory Affairs with The Policy Group. He has represented the metal finishing industry and NASF for 25 years regarding environment, health and safety regulatory issues. His nearly 40 years of industry experience also includes work with the EPA in the Office of Solid Waste.
